Professional Summary

A motivated Software Engineering students with strong information technology skills and experience in coordinating student activities. Also Aspiring AI Engineer with a strong interest in Data Science and Machine Learning. Motivated to apply analytical and programming skills to build intelligent, data-driven solutions.

Education

BSc in Software Engineering (Major in Data Science)

Daffodil International University

Final Year Student

Higher Secondary Certificate (HSC)

Ideal College, Dhanmondi

Graduation Year: 2021

Major: Science

English Communication

Course: English for Academic Purpose I, II

From: Daffodil International University

Core Competencies

- Team Leadership & Development
- Strategic Planning & Execution
- Analytical Thinking
- Communication & Collaboration
- Software Development

Skills

Technical Skills:

- **Programming:** Java, Python (Learning)
- **Data Science:** Machine Learning Basics, Data Analysis
- **Tools:** MS Word, Excel, PowerPoint, Canva, VS code, Git, GitHub
- **Operating System:** Windows.
- **Web:** Website development.

Soft Skills:

- Good behavior & interaction with customers
- Effective Communication
- Teamwork
- Networking

Projects-1

Flower Shop Web Application

- **Technologies Used:** HTML, CSS, java script.
- **Description:** Developed a Flower Shop web application to manage products, display items. Applied programming and data handling concepts learned in Software Engineering courses.

Project-2

Bangla Fake News Detection System

- **Technologies Used:** Python, PyTorch, HTML, CSS
- **Description:** Built a BERT-based fake news classifier for Bangla text (71.79% accuracy) with a web app featuring single/batch analysis, probability charts and history tracking processed 11K+ news articles.

Certifications

Workshop on Robotics with smart Agriculture Arranged by Daffodil Robotics Lab

Interests

- Artificial Intelligence
- Machine Learning
- Data Science Research

Hobbies

- Cricket
- Cooking
- Football
- Gardening
- Singing
